History of LGBTQ Community in Cincinnati-
October 22nd 12:15pm- 1pm After Church

As a way to honor and celebrate LGBTQ history month, join us for a panel presentation about the history of the LGBTQ community in Cincinnati sponsored by the Ohio Lesbian Archives. We will gather in the sanctuary and will hear from established leaders, advocates and community organizers from the LGBTQ community. Panelists include Michael Chanak, Vic Ramstetter and others. We get to choose the stories we share which transcend lifetimes. Come, listen, learn and experience the journey toward justice which continues.

Panelists are Scott Knox, Phebe Beiser, Michael Chanak Jr, Victoria Ramstetter
